

DEDICATE A ROSE

A rose is a symbol of love, loss and renewal. It represents something different to every family; to some it is a symbol of hope, to others it is an expression of grief, and to still others it is an offering of gratitude.

The Donate Life Dedication Garden offers all people touched by organ and tissue donation the opportunity to honor loved ones by dedicating a rose tagged with a personal message and placed in the Dedication Garden on the Donate Life Rose Parade® Float. Each holiday season, Donate Life's annual float entry in the Rose Parade inspires tens of millions of people nationwide to save lives as organ and tissue donors.

WHO CAN PARTICIPATE?

People Touched by Donation:

Any family or individual who has been touched by organ and tissue donation and transplantation can dedicate a rose on the Donate Life Rose Parade Float to bear the name of someone who has given, received, awaits, or died while waiting for the gift of life.

Donation Partners:

The program for donation partners is designed to offer hospitals, transplant centers, organ and tissue recovery organizations, coroners, funeral homes and dialysis centers the opportunity to honor donor families, recipients and candidates for transplant. For more information about how your organization can participate, visit www.donatelifefloat.org.

DEDICATIONS

Dedications can be completed online at www.donatelifefloat.org after July 1 or by filling out and returning the form below by December 23.
